ABOUT OPPEIN

Founded in 1994, OPPEIN is China's No.1 kitchen and customized home décor brand, and the largest cabinetry manufacturer. We design and manufacture high-quality kitchens, wardrobes, bespoke home furniture, bathroom products, interior doors, aluminum windows & doors and home furnishing, capable of offering one-stop home décor products and solutions. Output and sales of kitchen cabinet reached 830 thousand sets, ranking No.1 in the kitchen industry.

In 2020, OPPEIN's sales turnover reached USD 2.27 billion, harvesting its consecutive 27th years of growth. Our products have been exported to 118 countries and regions. And the total market value of OPPEIN exceeded 100 billion yuan (USD 15.3 billion) in March 2021.

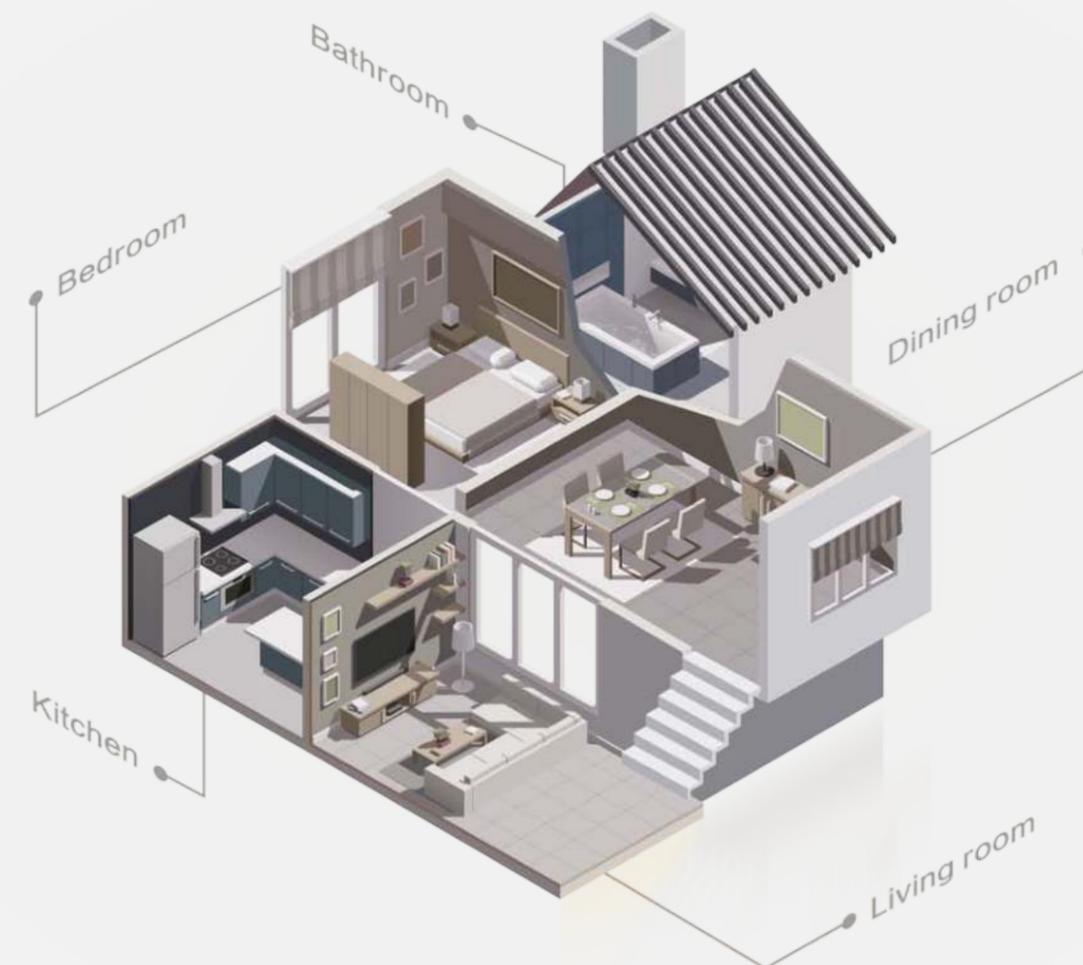

In overseas markets, what sets us apart from our competitors is our Italy design, European quality, one-stop whole-house products & solutions, and reliable local services.

OPPEIN takes great pride in its extensive franchise distribution system. We have a productive showroom operation model and thoughtful support policies to help the franchisees win. Currently, we have a remarkable number of over 7,000 franchise showrooms worldwide to serve local retail businesses.

The global project business is another importance we attach to. We cooperate closely with builders, developers, contractors, and architects to develop different types of residential and commercial business; up to now, we have completed over 10,000 real estate projects around the globe, including some significant local landmark projects.

We achieve this through our unceasing striving for perfection, and the passion to satisfy an individual's needs for better home décor. Our vision is to make OPPEIN a modern, innovative company respected and loved by the people, held in the highest esteem in China, and emulated around the world.

Where there is home and love, there OPPEIN is.

Whole House Customization

The people who live there and the way they furnish them turns spaces into a home! Oppein has been developing high-quality system furniture that meets high individual planning standards for 27 years, one-stop solution for kitchen, bedroom, bathroom, dining room, interior doors, metal doors and windows, and other whole-house furniture, realizing the integration of spaces design, and for your individual home!

Entrance

• **Welcome home**

Modern Times entrance cabinet is not only a shoes cabinet, it's also showcase area, dressing area, storage cabinet and so on. Get ready for work, put your jackets on and off, come home and welcome guests. There's always something going on here.

MODERN TIMES

Style: Modern

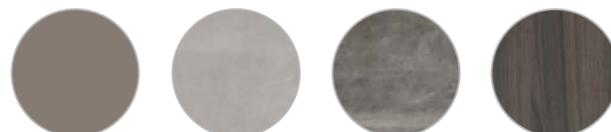

Super high UV door panel combined with aluminum frame glass door, creates a high-end atmosphere and simplified visual burden, combined with embedded light strips, which is soft and not dazzling, making the entire space introverted and advanced, with a sense of hierarchy.

Dining Room

• **Customize a dining area**

A dining area in which everything fits together perfectly thanks to a functional design. It's not only a place for dining and also space for storage, study, and display.

Bedroom

- Refresh yourself

We spend most of our day in the bedroom. Therefore, the bedroom is required to be more comfortable and tidy to ensure high-quality resting.

Walk-in Closet

- More than storage of clothes

Having your own walk-in closet need not remain a dream, it's not only for clothes storage but also a system of bringing order to life in a stylish way.

Living Room

- **Relax in a comfortable and stylish living room**

Cool structure and color combination! Light meets dark, creating a clear, urban aesthetic.

Home Office

- **Customize a spiritual retreat for thinkers**

LED built-in lighting and glass as a design element provides additional lightness. The dark walnut panels create a quite dark walnut color creates a calm and quiet atmosphere for work and study.

JACER

Style: Modern

Jacer series is a modern design combining light walnut color and Nordic maple color. The design is structured and layered, which is beautiful and offers enough storage spaces, making the house look more tidy and orderly.
